The Bible is our primary resource we hold up everything to its light and truth. The list below is not exhaustive, nor does our church endorse all of the ideas in these resources.

Another way to engage is to pray this prayer from Pastor Steve:

Heavenly Father,

We pray against racism, and especially all forms of white supremacy. Father, in Jesus' name, may our brothers and sisters of color know that we stand with them and that they are made in the image of God. And when you harm the image of God, you harm God's Glory. Father, please come to that city and bring your peace... Pour your spirit upon them. Create a revival there.

We pray in Jesus' name,
Amen.
