

# **Celebrating the Class of 2023**

Congratulations to the 2023 high school graduates! We have some amazing seniors that we get to celebrate this year, and a few of them are listed below.

**Will you help us celebrate each one of these students? Let's keep all of them in our prayers, along with the seniors who aren't listed here, as they transition to whatever is ahead.**

### **Anna Salove**

Anna is graduating from Sunset High School. She plans to attend the University of Oregon and study accounting at the Lundquist College of Business.

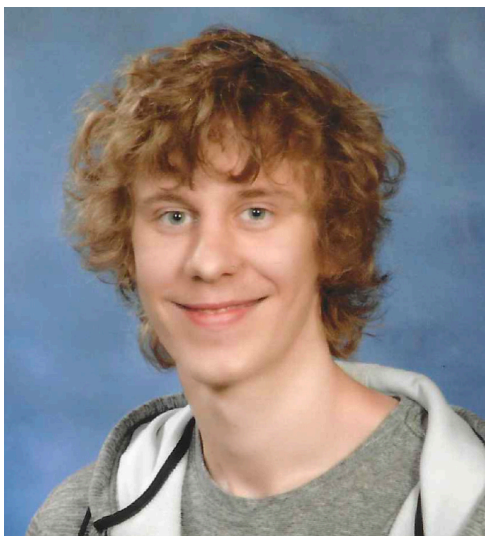

### **Eli May**

Eli is graduating from Beaverton High School, and he is planning to attend Portland Community College. He will then transfer to the Oregon Institute of Technology's engineering program.

### **Ethan Haldeman**

Ethan is graduating from Beaverton High School. He is planning to attend Portland Community College and work toward a degree in psychology.

**Isaac Potter**

Isaac is graduating from Westside Christian High School, and he is planning to attend Oregon State University to pursue a chemistry degree.

**Isabel Beaty**

Isabel is graduating from Mountainside High School, and she is planning to attend Central Oregon Community College.

**Josh Barber**

Josh is graduating from Hillsboro High School, and he is planning to attend the Air Force Academy.
